his conduct as a party man. *...(Interruptions)...* and should I run my party by advice of Mr. Ravi Shankar Prasad or the followers of BJP? I am a man belonging to the party. I know how to conduct the party functions. I am doing it for the last three decades and I will continue till I need. So, don't advise me on that matter for I am talking as the representative of the Government and the Government has never stated that Mr. Natwar singh is guilty. Whatever Mr. Natwar Singh has said it is absolutely correct, when he found that the Opposition is demanding that unless he resigns this House will not function, simply to concede to this illogical, irrational demand of the Opposition, Mr. Natwar Singh had to resign, and we have to concede to the irrational demand of the Opposition. Thank you, Sir.
